

MINUTES of MEETING of CLIMATE CHANGE ENVIRONMENTAL ACTION GROUP held in the
COUNCIL CHAMBERS, KILMORY, LOCHGILPHEAD
on THURSDAY, 7

Discussion took place in respect of carbon neutral targets; the existing Council and Corporate policy approach to addressing climate change and the decision not to include the Biodegradable Municipal Waste (BMW) project as part of the considerations of the Short Life Working Group.

Further discussion took place in respect of the communications and engagement strategy and information gathering, particularly in relation to industries of interest, including
