

Argyll & Bute Health & Social Care Partnership

Integrated Joint Board

Agenda item :

Date of Meeting : 28th September 2016

Title of Report: ArgyllBoard

Please note that there is a reduction in the overall number of scorecard measures from the original 95 measures reported for FQ4 15/16 to 93 for FQ1 16/17. This reduction has occurred due to a rationalisation by the Argyll and Bute Council Pyramid Team of reporting of both sickness and absence attendance and PRD measures within Outcome 8.

Previously there had been separate performance reporting of Adult Care and Childrens and Families this has now been made a single cumulative total. This has effectively resulted in a reduction to 4 measures in Outcome 8 for 16/17 against the previous 6 reported for FQ4 15/16.

3. Detailed Performance Report Outcome Indicators 1 and 2

Outcome 1 - People are able to look after themselves and their families

Outcome 2 - People, including those with disabilities or long-term conditions, or who are frail, are able to live, as

The NHWBO indicators help provide an indication on progress in addressing health inequalities.

5.5 Risk

Ensuring timely and accurate performance information is essential to mitigate any risk to the IJB governance, performance management and accountability.

5.6 Clinical and Care Governance

A number of the NHWBO indicators support the assurance of health and care governance and should be considered alongside that report

5.7 Public Engagement and Communication

A number of the NHWBO indicators support user and patient experience/assessment of the HSCP services and planning processes.
