Dear Councillor Reid,

The Roads and Amenities Team has informed me that the works done in this instance are actually a different type of white lining, made from a different, longer-lasting material.

Furthermore, they advised that it will be getting collated with the A8005 and A8006 works and this has been added to the programme and will be issued next week.

Due to a two week lead-in, we expect this to be completed by the middle of August.
