- 3.2 Following a joint consultation exercise, which ran from 9th December 2019 to 17 January 2020, a number of revisions were made to the Scheme to take account of the feedback received and approved by NHS Highland Board and the Business Continuity Committee at their respective meetings in March and April this year.
- 3.3 It was the intention to submit the revised Scheme to Scottish Ministers in April for review, but due to Covid-19 the SG advised the parent bodies that due to other priorities they did not wish to receive any updated Integration Schemes
