Help to find work for 18-24 year olds

There is a dedicated team of work coaches who work with customers aged 18-24 to help them to find a job, work-related training or an apprenticeship through the Youth Offer. This has been published on gov.uk and can be found here:

As part of the wider youth offer, we have introduced the role of Youth Employability Coach as part of the Government's plans for economic recovery. The Youth Employability Coach will provide a holistic service for young customers with complex needs and require more intensive one-to-one support. We want to give dedicated support to those young people with the greatest needs and particularly want to avoid long term damage to young people's prospects.

Virtual Youth Hub

DWP have been hosting a Virtual Youth Hub for our customers since July 2019 which expanded to include partners in October 2019. The aim of a Youth Hub is to provide opportunities to train and develop skills, delivering individual wraparound support to ensure young people see a value in the world of work. The longer-term aim is that this will be hosted by a partner organisation and be supported by DWP staff.

Our Job Centres

All offices remain open to vulnerable customers and are compliant with social distancing Covid guidance, with staff working from home and in offices. Work coaches continue to engage with customers on a digital or telephone basis, or a blend of both, and our telephone lines remain open until 6.30pm.
