In Argyll we have specialist officers who are trained in the Scottish Child Interview Model (SCIM) this is an improved joint interview model being rolled out nationally where police and social work provide a better environment for a child who has suffered trauma and requires to be interviewed.

We are working with The Argyll & Bute trauma informed leads to explore opportunities for joint emergency services training to ensure we are providing the best support we can to all victims. Our focus on Violence against Women and Children continues as we develop and spread our awareness on the 'Safe & Together' model to reduce victim blaming and unnecessary criminalising of domestic abuse victims.

Roads Safety

Our prevention and enforcement efforts continue, and we monitor, analyse call data and listen to our communities to ensure that we respond to emerging concerns.
