

and reports associated with the meetings and the CPG's work. It was further agreed that the changes being agreed by the group would be reviewed after 4 meetings have taken place to assess the impact which they have had on improving community involvement in the CPG.

- 3.6** The September meeting of the Helensburgh Lomond Group was well attended, with excellent information being discussed and shared by all attending partners. A number of issues raised by the Grey Matters Community Group were also progressed by various attending partners.
- 3.7** In addition to the matters noted above, items which were discussed at all of the meetings included the Community Resilience Project, the opportunity to have Area Forums as part of the Co
