Reliability and Punctuality Report had been provided for the meeting. This report informed the previous discussions.

The group were informed that the full report was coming out in January 2015. A short summary of highlights had been provided and were considered by the group. Following general discussion regarding the economic development opportunities arising from the ferry route and the need for sustainability, the Council's Marine Operations Manager was asked to draft a letter to Calmac outlining the key concerns raised during the discussion.

Action Point: draft letter outlining key concerns to be circulated round the people attending the meeting for comment and approval prior to submission.
