How to Join a Zoom Meeting – by Zoom App, Email Link or Call

1. Use the Zoom Application

If you already have Zoom installed on your device, you can join a meeting directly from the app using a meeting ID or personal link name sent to you by the host.

Open Zoom, and you'll be prompted to sign in. You can (1) enter your email and password and then select "Sign In".

Regardless of the sign-in method you choose, once that process is complete, you'll be on the home page of the Zoom app. Here, select "Join."

A new window will appear. In the first box, enter the meeting ID that was sent to you when you received the invitation via email.

Below that, enter your display name, select if you would like to join the meeting with
