SERVICE ANNUAL PERFORMANCE REPORT

The Supporting Communities Fund 2020/21 opened for applicationsth Oct 2019. 90 eligible applications were received with a total amount applied of £184,731, an oversubscription rate of 53%.

51 applicants were put forward for grant award across all four areas. In assessing the applications for grant award, the Community Development Service undertook a total of 279 support sessions with applicants to find out more about their project and ensure a robust assessment process.

Corporate Outcome People Will Live In Safer And Stronger Communities

Business Outcome 404 Our Communities Are Protected And Supported

The Welcome In group have gone from strength to strength this year and increased their capacity with ongoing support from the Community Development Service in Helensburgh and Lomond. The group secured a Supporting Communities Fund Award 2019/2020 to deliver 'Out and About' project. Through this project, the committee were supported to develop a range of skills including evaluation, risk assessment and budget management. The 'Out and About' activities provided health and wellbeing benefits to members as well as opportunities to gain confidence and independence.

In addition to helping members have their voices heard through participation in the Place Standard engagement, the Community Development Service has facilitated a number of workshops to support the group to set aims, extend their offering and become more sustainable. The Welcome In continue to develop their governance, policies and procedures with guidance from the Community Development Service.

SERVICE ANNUAL PERFORMANCE REPORT

Corporate Outcome: Education, Skills And Training Maximise Opportunities For All

Business Outcome: 409 All Our Adults Are Supported To Realise Their Potential

The Isle of Bute Resilience Team received funding through Supporting Communities Fund 2019/20 for First Aid Training and Manual Handling with the Community Development Service supported application to ACHA's Community Action Fund and the Rothesay Common Good Fund.

The Isle of Bute Resilience Team have grown in capacity and confidence as a result of the funding. They now have 21 volunteers and are all fully trained in First Aid, Manual handling, radio control and have PVG's. They have helped out the emergency services on various high profile missing incidents.

The Community Development Service also provided support on partnership working, newsletters and surveys.

Corporate Outcome: Education, Skills And Training Maximise Opportunities For All

Business Outcome: 409 All Our Adults Are Supported To Realise Their Potential

The 2019/20 training sessions were developed for community councils and third sector organisations based on need.

Training sessions on funding were delivered by the Community Development Team in each of the 4 administrative areas in November and December 2019. The training was well attended, with 47 representatives from a range of community groups, third sector organisations and community councils taking part. The target for the percentage of participants who felt more confident following the training, was exceeded for each of these delivered.

The Engaging with Communities training sessions had to be curtailed following the first session held in Helensburgh due to the Coronavirus lockdown. The feedback from the Helensburgh session was positive and all 6 attendees felt their confidence had increased due to the training session they had received.
